SUPPLEMENT TO [REDACTED] 25X1A2g
REPORT NO. [REDACTED]

25X1X6

1. Pro-Cominform Communists in Montenegro, operating with the support of the Soviet Union and Albania, are believed to be attempting to establish an anti-Tito resistance movement. This movement would endeavor to establish an independent Montenegrin Provisional Government which would be fully subservient to the Soviet Union and the Cominform. One of the bases from which this movement operates is Shkodër, in Albania, where a so-called Montenegrin Communist Committee has been established.
